

# Lost Pet Report

This form must be returned to the shelter via email to [info@barcs.org](mailto:info@barcs.org) or in person to 301 Stockholm St., Baltimore, MD 21230. Many animals have similar descriptions. Please include a photo of your missing pet when sending his form! We encourage you to also post photos of the pet you found around the neighborhood and on social media. The best way to identify your pet is to come to the shelter every 3 days to look.

Please note that the legal stray hold in the State of Maryland is 72-hours. After that time, stray/lost animals are eligible for any outcome the shelter deems best for the animal.
